# ADRIANNA JABŁOŃSKA

## + PROFESSIONAL SUMMARY

I am very ambitious and self-motivated. I love to acquire knowledge and solve different tasks. Thanks to my diligence and reliability I graduated engineering studies with an excellent grade 5.5, and I was a laureate of the faculty competition for the graduate of the year 2018/2019. Currently I am looking to join a suitable organization that rewards hard work and offers good opportunities for career development.
